

Getting started in Canvas

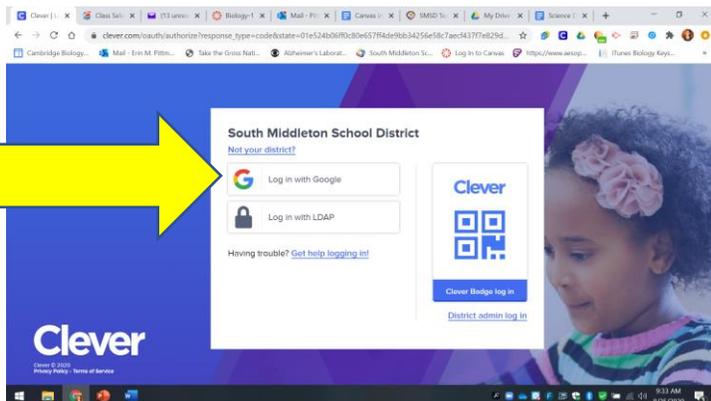

From the District website, click on the Students bubble

Click on Clever on the left-hand side

Click on "Log-in Using Google"

Click on the Canvas button to see your courses and choose the specific class you are looking for. 😊

The image shows a two-part screenshot of the Clever LMS interface. The top part shows the main navigation area with a 'Favorites' section containing icons for Google Classroom, CommonLit, Navigate360, Edmentum-Study Island, and Canvas. A large yellow arrow points to the Canvas icon. The bottom part shows the 'Unpublished Courses (6)' section with a grid of course cards. A second large yellow arrow points to the 'Biology-Fall 2020-Pittman' course card. The interface includes a top navigation bar with 'Clever Boiling Springs High School' and 'Homeroom Library Analytics Classes' tabs. The course cards in the bottom section include 'Biology Support-2', 'Biology-Fall 2020-Pittman', and 'Biology-2'.
